DOUBLE YOUR DONATION TO CAMP NO WORRIES

Employer Matching Gifts

These days, many employers sponsor matching gift programs in which the company will match charitable contributions made by employees to recognized charitable organizations. Camp No Worries is an independent non-profit organization under section 501(c)(3) of the Internal Revenue Code (our Tax ID # is 82-3793545).

If your company sponsors a matching gift program, you can typically submit your request for a matching gift from your employer through an online portal or by completing a matching gift form. Through matching gift programs, you can easily multiply the impact of your gifts to Camp No Worries – sometimes double or even triple!

Volunteer Recognition Hours

In addition to matching gift programs, many companies offer their employees volunteer hours to be spent with charitable organizations or recognition of personal time volunteered by their employees with a monetary donation to that organization – some companies even offer both!

To find out if your company has a matching gift or volunteer recognition policy, you should inquire with your employer's Charitable Giving or HR departments.

Submissions requiring validation by your employer, as well as any questions, can be directed to our Fundraising Team at donations@campnoworries.org.

Thank you for your continued support of Camp No Worries!
